DESIRE TO MAKE A DIFFERENCE?

Please take a look and see how you can make a difference in the life of a Child.

5th Annual Christ Celebration

Children in this area of Uganda experience poverty that no one ever should. During this time every year we prepare the best meal that they have all year.

This is a time of fun, food and fellowship. On this particular day some children ride in on a rented truck transport for this specific purpose and others walk for many miles to and from the celebration. If you would like to be a part of making a memory for a child that will not be forgotten for many years. \$_____

Shoes For The New School Year February 2020

Every place the Children place their feet, GOD has given it to them. We want to be able to purchase as many shoes as possible not only to bless, but to minister to and allow the Children/Youth to receive ministry that will cause their lives to go to the next level. These shoes will bring hope and confirmation to many.
